

# **KNOCK OFF OF A COPY OF DESIGNER OUTFIT**

*A "knock-off" dress is a cheap imitation or copy of a more expensive, designer dress. It's typically made to look very similar to the original but is usually of lower quality and often sold at a significantly lower price.*

**Original design of  
Rachael Gilbert**

**Knock off design of  
Rachael Gilbert**

Rachel Gilbert is an Australian fashion designer renowned for her luxury eveningwear and bridal collections. She is known for her intricate hand embellishments, modern designs, and elegant silhouettes, often incorporating a contemporary twist on traditional eveningwear.
